

TEH-WAY DAVID CHEN
CURRICULUM VITAE

E-mail: tdchen@berkeley.edu

EDUCATION

University of California, Berkeley

B.A. in Psychology (Honors) and Political Science; Minor in Education, May 2010
Psychology GPA: 3.93, Political Science GPA: 3.52, Cumulative GPA: 3.70
Honors Thesis Advisors: Kaiping Peng and Laura Saslow, with Oliver John

Mt. San Antonio College

A.A. in Social & Behavioral Sciences, Liberal Arts, and Language Arts &
Communication, December 2007
Cumulative GPA: 3.58

RESEARCH INTERESTS

Social Hierarchy, Emotion Regulation, Stress, Emotion, Prosociality, Social Relationships,
Politics

PEER REVIEWED PUBLICATIONS

Kraus, M. W., Adler, N., & **Chen, T. D.** (in press). Is the association of subjective SES and self-rated health confounded by negative mood? An experimental approach. *Health Psychology*.

Kraus, M. W., & **Chen, T. D.** (in press). *A winning smile? Smile intensity, physical dominance, and fighter performance. Emotion.*

CONFERENCE PRESENTATIONS

Chen, T. D., & Kraus, M. W. (2012, January). Say cheese: Smile intensity in photos predicts fighter performance and match outcome. Poster presented at the *Society of Personality and Social Psychology Annual Convention, San Diego, California.*

Chen, T. D., Saslow L., Peng, K., & John, O. P. (2010, May). The implications of stress regulation. *Psychology Honors Thesis Poster Session, University of California, Berkeley.*

Saslow, L., **Chen, T. D.**, LaBouff, C., Keltner, D., & John, O. P. (2009, May). Loving behaviors in dating relationships: Associations with satisfaction, commitment, and individual differences. Talk presented at the *Berkeley-Stanford Social Psychology Conference.*

RESEARCH EXPERIENCE

University of California, Berkeley – Lab Manager (Emotion & Emotion Regulation Laboratory at Berkeley)
(Supervisor: Iris Mauss, Ph.D.) August 2012 – Present

University of California, San Francisco – Received extensive training in psychophysiology methods and ran participants through elongated and intricate psychophysiological studies as the operator, experimenter, evaluator, and confederate. Assisted in project designs, implementation of data collection tools, survey designs, and input data.
(Supervisor: Wendy B. Mendes, Ph.D.) June 2012 – August 2012

University of California, San Francisco – Conducted literature reviews, designed study surveys, analyzed data for projects examining subjective SES associations to health and smiling as a predictor of physical dominance
(Supervisor: Michael W. Kraus, Ph.D.) August 2010 – August 2012

University of California, Berkeley – Designed and executed an independent research project aimed at understanding how to measure stress regulation, and determine its associations with resiliency and well-being. Additionally, ran participants through elongated, complex experiments and helped ensure that other research assistants were following the proper experimental protocol.
(Supervisor: Laura R. Saslow, Ph.D.) January 2009 – Present

AWARDS & ACHIEVEMENTS

Honors in Psychology: University of California, Berkeley 2010
Psi Chi: University of California, Berkeley 2009
President's List: Mt. San Antonio College 2007

TEACHING AND MENTORING EXPERIENCE

Association of Psychology Undergraduates Mentorship Program
Mentor January 2009 – May 2010

Oakland Asian Students Educational Services (OASES)
Volunteer Tutor, Mentor, & Group Leader January 2008 – June 2010

St. Martin de Porres Catholic School
Volunteer Teaching Assistant September 2009 – June 2010

AFFILIATIONS AND MEMBERSHIPS

Society for Personality and Social Psychology 2011 – Present
